## PROCESSING YOUR SAND BEFORE SENDING

- Sand should be packaged within a sandwich size baggie, labeled on the bag itself and shipped in a bubble mailer.
- Please adhere to any and all local rules and regulations when sand collecting.
- For Beach Sand, we will only work with DRY, top soil sand that is cleaned properly.
- Each piece only needs a soda caps worth of sand, but we will add to our Sandbank™ if sent 1/2 cup or more.
- Sand CANNOT contain any organic matter (dirt, sticks, seaweed, etc.)
- We recommend suspending sand in a glass of water, discard anything that floats, dry it out and send away.
- Sending Internationally: Please declare any material you bring or send into the U.S. : PURE OCEAN
